PUBLIC NOTICE

This is to inform the general public that the FRW 10,000 banknote image that has been circulating on different social media platforms is FAKE and should not be given any attention.

The general public is reminded that the issuance of any banknote or coin is solely the mandate of the Government of Rwanda through the National Bank of Rwanda. It is the responsibility of the Bank to officially communicate the issuance of any new banknote or coin.

The National Bank of Rwanda further reminds the general public that the falsification or spread of any fake banknote or coin image is illegal and punishable by law.
